INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Sikh Gurdwara - San Jose
San Jose, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sikh Gurdwara - San Jose (the "Gurdwara"), (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Gurdwara as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Gurdwara and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gurdwara's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gurdwara's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gurdwara's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We had previously audited the Gurdwara's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 19, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The computation of Debt Service Coverage Ratio and Liquidity Maintenance Ratio on page 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SIKH GURDWARA - SAN JOSE
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1 - GENERAL INFORMATION

Sikh Gurdwara - San Jose (the "Gurdwara") is a California nonprofit organization which was founded and started its operation in 1984. The Gurdwara provides religious, educational, and cultural services to the residents of San Jose and surrounding cities.

A. Path, Kirtan, and Katha

The Gurdwara provides religious services such as reading sermons and singing devotional music (Path, Kirtan, and Katha) on a regular basis. Spiritual leaders and priests from around the world provide these services.

B. Khalsa School

The Gurdwara provides educational services. In addition to teaching Punjabi language, principles of Sikh religion, and devotional music, the school provides college prep classes, youth sports and scholarships.

C. Community Kitchen (Langar)

The Gurdwara provides hot meals to devotees and visitors daily. Community Kitchen (Langar) is generally funded by followers who bring food supplies and prepare food at the Gurdwara.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The financial statements of the Gurdwara have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Gurdwara to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Gurdwara. These net assets may be used at the discretion of the Gurdwara's management and the board of directors. Also, contributions that are restricted by the donor are reported as increases in Without Donor Restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

Net assets with donor restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Gurdwara had no net assets with donor restrictions as of December 31, 2024 and 2023.

B. Cash & Cash Equivalents

The Gurdwara considers all unrestricted highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents.

SIKH GURDWARA - SAN JOSE
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

C. Investments

Investments in marketable securities with readily determinable fair values are reported in the accompanying statements of financial position at their fair values based on quoted market prices. Unrealized gains and losses are included in the changes in net assets in the accompanying statements of activities. Investment income and gains restricted by donors are reported as increases in net assets with donor restrictions if the restrictions are met in the reporting period in which the income and gains are recognized.

D. Donated Services

Donated services are recognized as contributions in accordance with generally accepted accounting principles, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would typically need to be purchased if not provided by donation. No amounts have been recognized in the accompanying financial statements for donated services because the criteria for recognition of such volunteer effort under generally accepted accounting principles have not been satisfied.

E. Property and Equipment

Expenses for property and equipment greater than or equal to \$2,500 are capitalized at cost and depreciated over their estimated useful lives using the straight-line method. Estimated useful lives of assets are as follows:

<u>Asset class</u>	<u>Useful lives</u>
Buildings	40 years
Building and improvements	10 years
Furniture and equipment	5 years
Vehicles	5 years

Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without donor restriction upon acquisition of the assets and the assets are placed in service.

F. Fair Value Measurements

The Gurdwara reports its fair value measurements using a three level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by generally accepted accounting standards, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

Level 1 - Quoted prices for identical assets or liabilities in active markets to which the Gurdwara has access at the measurement date.

Level 2 - Inputs other than quoted prices included in level 1 that are observable for assets or liabilities, either directly or indirectly. Level 2 inputs include quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 - Unobservable inputs for assets or liabilities. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

G. Expense Allocation

The costs of providing various program and supporting services have been summarized on a functional basis in the statements of activities and statements of functional expenses. These statements report certain expense categories that are attributable to more than one program or supporting function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied.

The expenses that are allocated include salaries and wages, payroll taxes which are allocated on the basis of estimates of time and effort, as well as school activities, religious services, supplies, special event cost which are allocated on their respective function/ program. All remaining expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Gurdwara considered general and administrative expenses.

H. Advertising Expenses

The Gurdwara incurs advertising expenses as part of its efforts to promote its mission, programs, and fundraising activities. These expenses are essential for increasing public awareness, attracting donors, and recruiting volunteers. Advertising expenses for the years ended December 31, 2024 and 2023 were \$38,174 and \$54,560, respectively.

I. Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

J. Grants and Contributions

Grants and contributions, including unconditional promises to give, are recorded as made. All grants and contributions are available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

Revenue Recognition

The Gurdwara recognizes revenue in accordance with U.S. generally accepted accounting principles (U.S. GAAP), primarily under ASC 958-605, Not-for-Profit Entities - Revenue Recognition. Contribution revenue, including donations and grants, is recognized when received or when any donor-imposed conditions are substantially met. As the Gurdwara only receives non-restricted contributions, these amounts are recorded as unrestricted net assets upon receipt and recognized in the period the funds are received.

K. Income Tax Status

The Gurdwara is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and is exempt from California franchise taxes under Section 23701(d) of the Revenue and Taxation Code. It is the opinion of management that all income earned has been related to the Gurdwara's tax-exempt status and there has been no unrelated business income.

SIKH GURDWARA - SAN JOSE
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONT'D

K. Income Tax Status - Cont'd

The accounting standard requires that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. Based on the management's analysis of the Gurdwara's tax positions, the accounting for any uncertainty in the Gurdwara's tax positions is not expected to have a material impact on the financial statements.

L. Leases

The Gurdwara has implemented ASC 842 for lease accounting. The primary objective of this implementation is to enhance the relevance and consistency of information regarding the Gurdwara's leasing activities. Under this guidance, lease income is recognized over the lease term on a straight-line basis. The Gurdwara's financial statements include adequate disclosures to provide insight into the nature and extent of leasing activities.

M. Comparative Summarized Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Gurdwara's financial statements for the year ended December 31, 2023, from which the summarized information was derived.

N. Adopted Accounting Pronouncements

Effective January 1, 2023, the Gurdwara adopted the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2016-13 Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. This ASU requires organizations to measure all expected credit losses for financial instruments held at the reporting date. There was no material impact on the financial statements as of the date of adoption.

NOTE 3 - CASH AND CASH EQUIVALENTS

On December 31, 2024 and 2023, cash and cash equivalents were \$1,144,526 and \$1,212,293, whereas the carrying amount of the Gurdwara's Checking and Savings account were \$733,876, and \$792,139 respectively, and the bank balance were \$658,803, and \$712,426. The difference between the bank balance and the carrying amount represents outstanding checks and deposit in transit.

Credit Risk: Cash balances held in banks are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). The Gurdwara maintains its cash in bank deposit accounts that at times may exceed insured limits. The Gurdwara has not experienced any losses in such accounts. On December 31, 2024 and, 2023, the Gurdwara had \$123,300 and \$164,371 in excess of insured limits.

NOTE 6 - LEASE

On May 28, 2010, the Gurdwara entered into lease agreement with T-Mobile West Tower LLC for the purpose of installing, operating, repairing and maintaining Antenna Facilities in the Gurdwara's premises for five years with monthly receipts of \$1,985. Lessor and lessee entered into an amendment to the lease wherein the term of the lease had been modified to include an additional nine extensions of five years. According to the lease, the expiration date of final extension will be May 31, 2060. Rent will be increased for each such renewal term over the monthly or annual installment of rent payable of the preceding renewal term by 12%. In consideration of the additional ground space being lease pursuant to the first amendment effective from the year 2016, tenant shall pay to landlord the amount of \$1,170 per month. The ground expansion fees shall increase in the same manner and at the same time as rent, as provided in the lease, and shall be payable, in advance, together with the rent.

The Gurdwara deferred rent receivable for the year ended December 31, 2024, was as follows:

NOTE 7 - NOTE PAYABLE

At February 20, 2017, the Gurdwara had \$11,174,638 of variable-rate debt outstanding with payments due on a monthly basis. The note accrued interest at Daily LIBOR plus 1.75%. In order to hedge interest rate risk, on January 31, 2017, the Gurdwara entered into a Swap Agreement, governed by International Swaps and Derivatives Association, Inc. Master Agreement 2002 with Umpqua Bank with effective date of Swap Agreement as February 20, 2017 and termination date as April 20, 2026. The Gurdwara entered into an interest rate swap for a notional amount of \$11,174,638 at fixed rate of 2.57%.

Under this agreement, the Gurdwara pays the fixed rate of 2.57% on the outstanding balance on monthly basis and receives Daily LIBOR on a monthly basis. Payments are settled on a net basis, and the Gurdwara has effectively converted its variable-rate debt into fixed-rate debt with an effective interest rate of 4.32% (2.57%+1.75%).

The following is a summary of the notes payable:
